

Dear CALEA Clients:

CALEA has posted downloadable Change Notices on the CALEA Online website for the Law Enforcement Accreditation, Public Safety Communications Accreditation, and CALEA Recognition Programs. These change notices are designed to keep you up-to-date with the latest amendments/revisions to CALEA Standards, and can be printed and inserted in the respective manuals. Change notices are an essential component of CALEA Standards; they help ensure the standards remain contemporary and reflect current best practices.

To download a copy for your manual, go to CALEA Online (www.calea.org), then the CALEA Clients Only Area's CALEA Standards and Process News Section for links to the Change Notices; or click the following URL:
<http://www.calea.org/MembersOnly/newweb/standards/standardprocess.cfm>.
